CORE ATTRIBUTES

SKU **333072**

WEIGHT **20 g**

BARCODE **732388645602**

DESCRIPTION

This high-quality solder wire offers excellent performance with a composition of 99% tin, 0.7% copper, and 0.3% silver. Ideal for precision soldering, it provides strong joints and reliable conductivity. The **1mm** diameter is perfect for electronics, circuit boards, and general repairs. Packaged at **17g**, it's lightweight and easy to handle, making it a great addition to any toolkit.
