Full product documentation, files and tutorials: solde.red/555027

CORE ATTRIBUTES

SKU 555027

WEIGHT 64 g

BARCODE 100386

DESCRIPTION

Classic pliers for precise cutting of the legs after soldering or for cutting the wire and removing the insulation.

TECHNICAL DETAILS

- **Cutting capacity:** up to 1 mm (0.040") diameter soft copper wire
- **Blade:** flush cutting edge in hardened steel for clean, close cuts
- **Handles:** ergonomic PVC-dipped grips with built-in return spring
- **Use:** trimming component legs after soldering, cutting thin wire, and stripping insulation. Wear eye protection, as off-cuts can fly
